APPLE - IPHONE 12 PRO MAX

Review Shop Review

iPhone Pro Max delivers best quality images and videos with nice composition. Performance-wise, this device beats any other phone in the competition. While the edging around back body can be uncomfortable, iPhone never fails to impress otherwise.

Three pictures with horizontal lines
for big screening such as co

Three rounded rectangular frames, each containing a small black icon. The first frame on the left contains a small black icon of a person's head. The second frame in the middle contains a small black icon of a circular object with a vertical line through it. The third frame on the right contains a small black icon of a power outlet with two vertical slots.

- Excellent
Presentation

- Beautiful design
